Be a part of WHM's 40 for 40

In 2027, WHM celebrates 40 years of supporting women and girls in Leeds to live safe and healthy lives.

To mark this special milestone, we're planning 40 events to celebrate our journey, our impact, and the women and communities we've supported over the past four decades.

WHM
Women's Health Matters

Could your organisation raise £1000 for WHM?

Host a fundraising event at your workplace and help us continue supporting women across Leeds.

We encourage organisations to set a fundraising goal of £1000 though we understand this may not always be possible.

Any contribution will help us provide life-changing support to women when they need it most, ensuring our services remain accessible to those facing some of life's greatest challenges.

Join us in celebrating 40 years of supporting women by helping us build an even brighter future for the next 40 years.

Need an idea?

- Quiz night
- Family fun day or summer fete
- Dress-down day
- Bake sale
- Office sweepstake
- 40-person challenge
