About Women's Health Matters

Our Vision: All women and girls are safe and healthy.

Our Purpose: Supporting disadvantaged and marginalised women and girls to have a fair chance at a better life.

Our Mission: Women's Health Matters exists to support women and girls to live safe and healthy lives. We achieve this by providing a holistic, trauma-informed service for women and girls who are socially, economically, or politically marginalised. This includes, for example, those affected by domestic abuse, asylum-seekers, and those whose children live elsewhere. We take a woman-centred holistic approach, creating a safe, nurturing environment to help women and girls recover their confidence, explore their own needs, regain control of their lives, and build secure and healthy family relationships.

We are looking for an experienced and motivated member of staff to join our National Lottery Community Funded project. This three-year post is to manage, lead and deliver the Breathe Free project, a 20-week course for women who have experienced domestic abuse and complex trauma. The purpose of the role is to:

- Manage the project's day to day running, content, and forward planning, report on project outcomes and finances
- Manage partnerships and external joint working relationships with key stakeholders
- Provide line management, supervision, and support to the project workers/volunteers
- Manage and generate referrals into the service with engagement and networking
- Recruit, train and supervise co-facilitators for each new Breathe Free cohort
- Engage with external stakeholders to provide opportunities for women
- Deliver the course, mentoring the co-facilitators
- Action safeguarding concerns and incidents (with support of Safeguarding Lead)

The closing date is **10 am on Monday 26 February 2024**. Interviews will be held in person in Leeds, LS11 on **Thursday 29 February and Friday 1 March 2024** – if shortlisted, you will be offered a choice of day and time

To apply, please visit: <https://www.womenshealthmatters.org.uk/work-with-us>

Completed applications should be sent to: recruitment@womenshealthmatters.org.uk
